

The central image of the cover features a pair of hands cupping a glowing, translucent globe. The globe is surrounded by a network of green lines and dots, suggesting a digital or interconnected theme. A monarch butterfly with orange and black wings is positioned to the left of the globe. The background is a vibrant green with curved, layered bands of varying shades.

From Linearity to Circularity

EIKOCIRCLE –TOWARDS THE ULTIMATE FRONTIER OF NET-ZERO

Businesses, governments, and society need to work together, to harness bold new ways to accelerate the race to Net-Zero. Eikocircle aspires to play a lead role in becoming a global solution for enterprises to put sustainability at the heart of their ESG and EPR transformation.

Combining smart intelligence, intuitive technology solutions and a network of global alliances, we are building integrated solutions that keep the UN's seventeen Sustainable Development Goals (SDGs), at its very core. In line with our ethos of Linearity to Circularity our waste management solutions maximize the value recovery for clients. While providing environmentally responsible processes, managing data destruction and ensuring ESG responsibilities are met.
